RESPONSE TO NOTICE OF ALLOWANCE

In response to the Notice of Allowance mailed August 31, 2004, enclosed are a completed issue fee transmittal form PTOL-85b, and a check for \$1400 for the required fees for a large entity, including patent copies.

Please note that the application is not entitled to small entity status. All previous fees have been paid at the price level for a large entity, except for the Response to Notification of Missing Requirements fee paid August 21, 2001, which was inadvertently paid as a small entity. A second check for \$65, representing the deficiency for that August 21, 2001 response, is also enclosed.

In addition, Applicants request that the formal drawings submitted on December 19, 2001 (dated January 23, 2002 in the PTO system) be included in the issued patent, rather than the drawings submitted on May 15, 2001.
